

North State Software, LLC License Agreement NO FEE VERSION – LIMITED STATE MACHINES

1.0 DEFINITIONS

1.1 Software. The “North State Framework” is the collective Software developed by North State Software, LLC covered by this License Agreement. The Software includes all source code, binary code, documents, and data contained in the Software download package.

1.2 Hardware Node. A “Hardware Node” is a computer machine on which one or more applications developed using the Software runs, including but not limited to personal computers, servers, mobile devices, set top boxes, or other hardware devices.

1.3 Derivative Versions. “Derivative Versions” of the Software include, but are not limited to, corrections, code changes, functional changes, code additions, functional additions, and translations to other programming languages.

1.4 Target Application. A “Target Application” is any related collection of software programs running in a computing environment, whether internally on Licensee’s owned or rented computer hardware or externally as part of a commercial application developed and distributed by Licensee.

This License Agreement (the “License”) applies to the executable code for the Software and to any and all accompanying source code, documents, files, and data, and to all Derivative Versions thereof.

2.0 ACCEPTANCE OF THE LICENSE TERMS.

Unless otherwise agreed to in writing by a North State Software, LLC director, your (“Licensee’s”) use, installation, copying, downloading, and/or distribution of the Software indicates Licensee’s acceptance of the License terms in their entirety.

3.0 LICENSE GRANT.

Subject to the terms of this License, North State Software, LLC grants Licensee a non-exclusive, non-transferable license to install, use, run, and embed the Software within Licensee’s Target Applications. Licensee may create up to three (3) State Machines with the Software.

Licensee may distribute the Software in compiled, binary form only AND only as part of Licensee’s Target Applications, with the exception that Licensee may not embed the Software or any portion thereof within any Software Development Tool or Utility, whether for Licensee’s own private use or for distribution.

Licensee may not distribute, post, publish, transfer, or transmit the Software or any portion thereof in any non-binary format or in stand-alone binary format to any third-party without written permission from North State Software, LLC.

4.0 GENERAL PROVISIONS.

4.1 Intellectual Property. Licensee acknowledge that the Software constitutes and contains valuable intellectual property, proprietary products, and trade secrets of North State Software, LLC, embodying substantial creative efforts and confidential information, ideas, and expressions. Accordingly, Licensee agrees not to reverse engineer, disassemble, or decompile the Software.

4.2 Title. North State Software, LLC is and remains the owner of all titles, rights, and interests in the Software.

4.3 Copyright. The Software is protected by the United States copyright laws and international treaties.

4.4 Transfer. Licensee may not transfer rights to use the Software to any third party.

4.5 Governing Law. This Agreement is governed by the laws of the State of North Carolina. Licensee agrees that the Software will not be used in a manner prohibited by the United States Export Administration Act or any other export laws, restrictions or regulations.

4.6 Severability. Should any provision of this Agreement be held by a court of law to be illegal, invalid or unenforceable, the legality validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby.

4.7 Entire Agreement. This Agreement is the entire and exclusive agreement between North State Software, LLC and Licensee regarding the Software. This Agreement replaces and supersedes all prior negotiations, dealings, and agreements between North State Software, LLC and Licensee regarding the Software.

Failure to insist upon strict compliance with any provision hereof shall not be deemed a waiver of such provision or any other provision hereof.

5.0 LIMITED WARRANTY/LIMITATION OF LIABILITY

The Software is provided "as is" without warranty of any kind, either expressed or implied. Licensee assumes all risks as to the quality, performance, and fitness of the Software for any particular purpose.

North State Software, LLC is not liable to Licensee for any damage, including compensatory, special, incidental, exemplary, punitive, or consequential damages, caused by or resulting from this Agreement or Licensee's use of the Software.

Licensee agrees to indemnify, defend, and hold harmless North State Software, LLC, its officers, its employees, and its agents, against all claims, losses, damages, complaints, or expenses connected with or resulting from Licensee's business operations or the use of the Software.

6.0 TERM AND TERMINATION

This Agreement becomes effective upon Licensee's payment for the Software. This Agreement is automatically terminated if Licensee fails to comply with any term or condition of this Agreement.

Licensee agrees to return to North State Software, LLC or to destroy all copies of the Software upon termination of this Agreement.
